Charis

Here are details for our Praise & Worship concert with our Orchestra this **Saturday, March 13th** at Rockwood Harvest Church. (Now known as Starbridge Christian Center)

1. The concert will begin at 6:30 PM. **You will need to be at SCC by 6:00 PM** to establish a standing order and do a quick sound check. We should be done by 8 PM, at the latest. SCC will be providing some refreshments after the worship time in order for us to fellowship with their congregation.
2. A song list and directions to the church are on the back of this Choir News. Please make sure you have any music you need with you. This is an opportunity to bless a sister congregation and help them reach out to their neighborhoods. We will use a projector for words, so you will not need music for words, just notes.

Ron Thompson has created a **Facebook group for our Choir & Orchestra**. This will another great way to keep everyone "in the loop". If you have a Facebook account, do a search on WCAG Choir and Orchestra and sign up. If you do not have a Facebook account, maybe now is the time to join. Ron, thanks for doing this!

This is a great time to invite **new folks to join our Choir**. Right after Easter we'll be working on new music and going back to favorites from several years ago. We'll also be scheduling a late summer/early fall Praise & Worship evening and work on patriotic music for the 4th of July.

Don't forget to check www.wcag.org when you are not here on a Wednesday night or Sunday morning. On the main page, go to Ministries and then Music. You can read the current issue of Choir News & Orchestra Notes and scan the current music department schedule.
