

Youth Pastor Application Guidelines – West County Assembly of God

Thank you for your interest in our open Pastoral position. The following guidelines will help you, and us in the search for the right person for this staff position.

1. Get acquainted with WCAG via our website, www.wcag.org. There is a lot of information there.
2. We prefer an email with attachments for your resume. It makes it easier for us to distribute digitally. Please include references.
3. If you have a CD or DVD recording of a youth sermon, or your participation in a youth service, that would be helpful. If they can be transmitted digitally, great... If not, snail mail will be fine.
4. Please pray with us for the exact, right person. We are trusting God for His guidance and direction, and that everyone involved in this process will know His leading.
